

PER^{*}SISTENCE

— Theatre Company —

Our COVID-19 Policy

PerSIStence is committed to keeping you safe while at work with us. It is all of our responsibility to make sure we maintain a safe and healthy work environment. All company employees, volunteers, visitors and contractors must abide by the following regulations:

- We expect you to follow all current provincial guidelines and precautions. If you have any questions about them, please let us know.
- We expect you to follow any additional regulations set forth by the buildings that we are working in (eg. 410 East White Hills Road, Arts and Culture Centre, LSPU Hall)
- If you are experiencing any COVID-19 related symptoms, please inform **Jenn Deon** immediately and **DO NOT** come in to work or meetings. Call 811 and follow their instructions.

<ul style="list-style-type: none">• Upon arrival to your work or meeting, every time, every day, please:

- | |
|--|
| <ul style="list-style-type: none">○ Go wash your hands for at least 20 seconds at the nearest wash station. If a wash station is not available, please use the available hand sanitizer○ Wear a mask while we take your temperature using our touchless forehead thermometer - if you read temperature reading above 99 F / 37.6 C, we'll ask you to head home as a precautionary measure○ You are then cleared to begin work or participate in the meeting |
|--|

- Our spaces should be set up in a way to allow for social distancing. **If social distancing is not possible, then masks must be worn.**
- Do not share food or beverages.
- All work and meeting spaces will be equipped with hand sanitizer. Practice regular hand-washing.
- Stage Management or a designate will disinfect all props as part of their preshow/top of day process.
- Masks may additionally be worn at any time, except by performers during dress rehearsals or performances.
